This year's varsity track team completed its second winning season in a row. Our league record was four wins, three losses in dual meet competition and we finished 4th in the Empire League standings. We are continuing to build our program each year and I know with the great effort the team gave this year we will continue to progress. Some highlights of the season were: Robert Angel's tremendous mile victory against Foothill's two top milers. Jim Schaedel also went on to vault 13'6" and set a new school record in the same meet. Against Saddleback, Randy Roth threw the discus 128'2" to win the event and outstanding athlete of meet honors. Brett Reed performed consistently all year in the high jump, long jump and triple jump and was the team's second high scorer. Dennis Danduran, the team's top hurdler, had an outstanding day against Katella winning the high hurdles and finishing second in the low hurdles. We cannot forget the tremendous night our distance runners had against Marina. Robert Angel, John Krieger and Bill McQuown managed to sweep the mile while Dane Wilson ran a 2:00.0 880 for a win and Mike Calvano ran 9:57 to win the two mile. Congratulations to all of you for another successful season.
