### **Reunion Finances**

Since our April 17 meeting our registration price indexed from the previous “early bird special” price of \$60 to the current price of \$76; per the committee’s planning, this price will hold through July 15.

Registrations this period slowed somewhat from the previous period, but we are still on track to meet the Meadowlark Golf Club’s event deposit of \$5,000. We need only another dozen or so registrants.

### **Publicity and Contacts**

- We are close enough now to “making our nut” that we really need to get stragglers to pay up.
- Lynn has called/emailed large numbers of people. Our class donated a marquee to HBHS and we would like to be put up on the current. Scott and Paul will approach the high school to see if they would put us up on it.
- We need to churn the Facebook page to get more “friends” and stimulate contacts. Scott proposed that committee members contribute traffic to the HBHS Facebook page. Paul suggested that we post inquiries for classmates who have not yet checked in and/or registered to ping them.
- Scott suggested that we also use NextDoor, a local social network.

### **Food**

- Lisa and Lynn are waiting on the budget to see what our final food choices are. They are going to lock down our choices during the first two weeks at Meadowlark. As always, the more money we have, the more extras and hors d’oeuvres we can add.

### **Decorations**

- Table decorations are set and ready to go.
- Scott will bring some of his Oiler swag to be locked up.
- The photobooth team (managed by Russ Namahoe) is ready to go: Russ' daughter and her SO will run that.
- Caryl has committed to making our photo backdrop.
- Chris will bring some LED lighting for the table lanterns.

### **Music & Entertainment**

- Paul and Scott gave us an update on a program proposal and solicited ideas.
- We will solicit personal photos from classmates via the Facebook site (maximum of 3) to use in the slideshow. Scott Weir will be the recipient of the photos, and he can forward them to Doug and Lynn for processing. June 30 will be the deadline for photo submissions. Scott will write some text and forward to Doug/Lynn.
- Remembrance: Denise is almost done with her remembrance slideshow.
- Doug will bring his PA system as a backup
- Music: Tim Young is still on track to deejay. Paul contacted him to request music specifically from 1972–1976 and to organize the program into “low key” music for check in and then dance music.

### **Pre- and Post-reunion Activities**

- Golf Tournament: Cristy gave Lori an update, but we need to know more. We may need to pay them soon to continue the shotgun-start event; otherwise, we will revert to grouped walk-ons.
- Scott suggested that we pivot away from a shotgun start to a group start. Scott will query for a Audrey Duffey list.
- We will have to organize our own campus tour. Chris suggested that we have a group get-together on the campus at the quad at 10:00 for our class.

### **NEW BUSINESS**

- None.

### **Future agenda items**

- None.
